EWB-MAP 2011 Fall Fundraiser Corporate Sponsorship and Advertising

Engineers Without Borders USA (EWB-USA) is a non-profit humanitarian organization established to partner with developing communities worldwide in order to improve their quality of life. This partnership involves the implementation of sustainable engineering projects, while involving and training internationally responsible engineers and engineering students.

By purchasing advertisement space in our fundraiser program your company will be helping EWB-MAP fund the implementation of our three current projects: El Salvador Project Fiat, Philippines Water for Life Project, and Rwanda Health and Healing Project. Corporate sponsorship of our chapter and our development projects is of vital importance.

Advertising in the fundraiser program may be purchased at the prices listed below. (please check the box of your choice)
